We recommend the planting of the following for Christmas tree growing, subject to revision by your County Agent or State Department of Forestry, for the particular area in which you are located—Scotch Pine, American Red Pine, White Pine, Norway Spruce, White Spruce, Colorado Blue Spruce, Balsam Fir and Douglas Fir.

Colorado Blue Spruce, Norway Spruce, White Spruce, Canadian Hemlock, Arborvitae and Mugho Pine are recommended for Ornamental and Landscape planting.

American Red Pine, Scotch Pine, White Pine, Austrian Pine, Pitch Pine, Banks Pine, Larch, are recommended for reforestation of spoil banks to comply with Bituminous Coal Open Pit Mining Act of 1945.

American Red Pine and White Pine are recommended for future timber supply.

American Red Pine, White Pine, Scotch Pine, Austrian Pine, Pitch Pine, Norway Spruce, White Spruce, Colorado Spruce, Canadian Hemlock are recommended for reforestation of vacant lands, prevention of soil erosion, windbreaks, hedges, etc.

## **TERMS AND ORDERING INFORMATION**

NOTE—In reply to our advertisement: Grow Christmas trees on vacant land at low cost, good profit. Should you not own cleared land, no doubt acreage at low cost can be purchased or leased at a low rental covering a period of years. For the species most adaptable to your area, we suggest that you contact your County Agent or State Dept. of Forestry, who will recommend the species you should plant. Additional information on Christmas trees can be secured by writing, Forest Service, U. S. Dept. of Agriculture, Washington, D. C. Request their Bulletin 1316 "Christmas Trees". We include Planting Guide with Price List.

Stock is shipped not prepaid, Parcel Post or Express. Please state manner of shipment desired. We recommend Parcel Post as being economical, and it is not necessary to remit postage, as we will ship C. O. D. for the postage.

Where C. O. D. is desired, one half cash with order, balance collect on delivery.

For boxing and packing add \$1.00 on small seedlings and small transplants. \$2.00 on large seedlings and large transplants per 1000. Packed free when full payment is included with order.

All prices f. o. b. Homer City, Pa.

All nursery stock is strictly state and federal inspected.

Stock is carefully lifted and packed in damp moss.

Spring planting time: April 1 to May 15.

Fall planting time: Sept. 1 to Nov. 1

Cannot ship in Spring before frost leaves ground. Stock subject to loss beyond our control.

Our liability ceases when stock is delivered to carrier.

## **ORDER YOUR TREES NOW WHILE THEY ARE AVAILABLE**

Please print your name and address plainly as a precaution against errors in shipping.

We appreciate your orders, both large and small, and always try to give liberal and honest value.

Place your order now to be assured of stock.

**Minimum Order \$10.00.**
